We are sure that after reading the texts written below you will understand that it is. What is this? This tool is a Mu online hack at the game Mu Online. So far there is only one hack in the MU Online section of the website. But you can actually search for all kinds of games on the site. We are really glad to put it on the website. It is a small thing in our path but really a big motivation for us. And we are also glad for all the downloads we have received. Features of the hack For all of the following you have to use a Mu online account. Which you will receive after you've downloaded this tool. If you don't have an account, create an account. An account can be used free. For more information you can go to the help section of the tool. Team Mode Give your team member maximum health by pressing the control stick. You can pause the hack by clicking on the pause button in the tool. When the game is ready to play again, you can continue it. You can use this hack in multiplayer! 100% Unlocks It is possible for you to completely unlock the entire Mu online game by using this hack. If you look at the picture, you will see that you can always see your team members in the upper part of the ba244e880a
