According to Deol, Kajraare had a "high concept and a strong screenplay", and after a week of researching, it was "a feel good thriller, all shot in one location".. Jul 19, 2019 Both actors tried to make their characters believable, and the movie captured the mood of 1970s in a very effective way. With the minimalistic look of the movie, this story of a woman who has to escape the clutches of the mob comes across as simple and sensible. This movie is beautifully shot and the grand cinematography deserves special mention. The performances from the two lead actors were also praised. Abhay Deol plays a cop who is fired from the 2d92ce491b
