**Kenny Rogers 20 Greatest Hits (2002)**

His albums *The Gambler* and *Kenny* each topped the country charts for at least 20 weeks, and his *Greatest Hits* was the only album by a country solo artist... "I was a kid, but I never imagined that one day I would have millions of fans around the world, he says. But it happened, and he became one of the most recognizable musicians. In December 2017, he returned to the studio at his home studio with a producer and guitarist to "develop a new album". "It was a new album with new ideas that I didn't want to release on a new album this year, so I thought it would be nice to do it in 2018," he says.
