
Aula Internacional 2 Nueva Edicion Pdf Free Download

I mean I bought Aula 1, 2 and 3 because I was under the impression that I was going to get "cuadernos de ejercicios", i.e. notebooks along with them, . In fact, I even bought all 3 as a set. But when I tried to open them, it turned out that there is only one of them. Why? I assume they are, but I have no idea where to find them. Anyway, it's certainly not my fault, because I don't know how to order them, or I have to buy them alone, or I have to open them myself I obviously meant Aula 4, 5, 6 because I'm not sure they actually exist. Why not all? And why is it so hard to find what we need.
