# Portable EF Duplicate MP3 Finder Crack With Keygen [Win/Mac]

[Download](#)

**Portable EF Duplicate MP3 Finder Free Download [April-2022]**

Portable EF Duplicate MP3 Finder 2022 Crack is a tool that allows you to find and remove duplicate audio files in MP3 format. This application is a great time saver, because it can locate audio files that are mostly duplicate and provide you with a list of all the files, which you can simply delete. The program has an intuitive interface and is easy to use, so everyone can use it without difficulties. For example, you can specify your criteria for locating duplicates (e.g. a specific album, artist, title, etc.), as well as enter a similarity percentage (e.g. 75%). To get more information about each file, you can simply double-click on it. Portable EF Duplicate MP3 Finder Free Download Features: In addition to a new, easy-to-use interface, Portable EF Duplicate MP3 Finder also comes with a batch mode, allowing you to automatically locate and remove a lot of duplicates. Simply mark the files and drives you want to locate and Portable EF Duplicate MP3 Finder will do the rest. The program saves the folder and drive paths and provides a list of all duplicates. It supports multiple locations, allowing you to scan removable drives and different folders on your computer. The program has a self-explanatory user interface and does not require a long learning curve. You can select the entire folders and browse and search for specific data. You can set specific attributes for
