December 9, 2014 - I'm having issues with SL2. When I go to activate with my serial number (copied and pasted from my SL1), the activation button... doesn't work and I can't activate. When I disconnect from the server to check my status, SL1 doesn't recognize me. I know this has happened before to other users. August 24, 2015 - I still can't activate the new version of SL. After I paste my SL activation code, pressing the button to activate doesn't work. February 9, 2016 - I still can't activate the new version of SL. I have two options:
