Requires a PC running at least DX11 with a monitor that supports the higher resolution. Requires internet connection. Requires Xbox Live Gold membership to download the game. Wasteland 2 is the action-RPG follow-up to Arma 2: Operation Arrowhead, and is the first game in the series to run at native 4K resolution. It also has a completely redesigned user interface and the same adaptive AI. The 8 x 4km map features parched desert landscapes and lush jungles, as well as desert fortresses, city fortresses and
