Mar 18, 2019 As the line between digital and physical products continues to blur, we are starting to notice a shift away from the traditional brick-and-mortar store culture. While this is a good thing for the environment and things like "green" programs, there is also a new world of "stand and deliver" that has begun to emerge. On top of this, the creation of hybrid models that blend the old and the new is also creating a unique sales environment.
