

As mentioned above Muslim marriage is a contract and there is a standard form for registering a contract called Nikah Nama3. ... Namaz - this word translated from Arabic means "prayer". Read moreAs mentioned above Muslim marriage is a contract and there is a standard form for registering the contract called Nikah Nama3. As a rule, marriage takes place in the mosque, where it is registered. Although, in principle, the registration procedure is not limited to the mosque. Registration can be carried out at the registry office or with another government representative, for example, in a district court.
