. 3ds max for windows 64bit mac softwre is currently only available for the client version. 3ds max 2012 32 bit

Hi, I have been trying to install and use 3DS Max 7 on a Windows 7 machine. However I am unable to do so. In an effort to get the max to install I followed the instructions as written on the website of Autodesk. I came across the 32-bit requirement for the OS. So I downloaded the 32-bit installer. I restarted the computer, put in the CD and started the install. The program proceeded to load for a moment. Then I get an error message indicating 'System Cannot Load Autodesk Registration Code' plus Error Number: 5. There is a bit more info attached in the attachment. I would greatly appreciate any help in resolving this problem. One of our AutoCAD user requested to get additional license for office 365. Following instructions on Autodesk support ticket and their suggestions, I could not proceed with the additional license. I tried installing number of different version of autocad 2013 32 bit, and when I try to install Autodesk application or Autodesk software, I get the error : "Error number : -10728. Autodesk application

could not be installed correctly because the application registration code is invalid or there is a problem with an application component " [sic]. The day after I sent this issue, I tried logging onto Autodesk Services, which indicate that my account is still registered. I was trying to install Autodesk Sketchbook Pro 2016. The installation begins but, I get the following error : " The application's Publisher ID is invalid or there is a problem with an application component". I tried running the. and received the same error. The software is readily available for autodesk world. I have purchased this product about 4 months back. Oct 22, 2017 Autocad 2011 - 32 bit is no longer available. May 28, 2018 I was downloading Max 2017, but it just said download was not successful. Can someone please help me download 3ds Max for my Windows 7 PC? I'm using it to draw and I need to create animations for work. A: You can get the 32 bit software from here: Autodesk® Software Downloads Select the Autodesk® software you are interested in Click “Software Downloads” on the top navigation bar Click the down-arrow
