Frozen Screensaver

It's winter, the sun is shining, snow is falling and skiers are dreaming of a new world championship. However, one of the team's own is late for training. Luckily, there is another skier from the same team in the area and they decide to start a race. The race is against time, the two skiers can't communicate with each other, and they have to avoid obstacles. You control both skiers by mouse clicks. But be

careful, the events of the movie are as follows: 1) The snow falls and the team member is late for training. 2) The race starts, but only one of the skiers can win. 3) The skiers decide to communicate by using the keyboard. 4) The skiers fall and start making decisions which are crucial for their survival. 5) The skiers try to decide who should be the first one to get up, but they can't decide who should get up first. 6) The skiers decide that they should keep going and find shelter. 7) The sun is out. But the skiers don't know this and are thinking about how to take care of their injured teammate. 8) The skiers start talking about an avalanche. 9) The leader of the ski team decides that they should go down the mountain as far as possible in order to get help. 10) The skiers see a sign with a helicopter on it. They can't understand what it says. 11) The skiers decide to stop and make a fire. 12) The skiers make it to the bottom of the mountain and start searching for help. 13) The team member is dead, but the skiers don't know that. 14) The skiers are stuck in the middle of the woods. 15) The snow is falling. But it's not falling enough to cover the skiers. 16) The skiers decide to start walking. 17) The skiers decide that they should start looking for shelter. 18) The skiers get stuck in the snow. 19) The skiers find a cabin, but they can't get to it. 20) The skiers find a shelter and decide to stay there for the night. 21) The skiers are wet and cold. 22) The skiers start moving. 23) The skiers decide to build a shelter. 24) The snow starts falling and the skiers
