Great quality of sound and design, so great it makes you believe the radios of the past have returned and revolutionized your listening of your favorite shows to a new degree! - Personalize the program guide as much as you want with the possibility to specify radio station names, channels numbers and radio-programs and to create one to a hundred small groups for those who want to enjoy the radio even a bit different as they can. In Deezer, be the first person to introduce your favorite music! Yovone & Safer – ToyChrome & Robert Widmann – The Life Shapes In a world where boundaries between the real and the virtual continue to blur, digital pianist Yovone creates music that pushes genre boundaries – by working with artists and producers who may not be familiar with the medium, but whose careers are built around their digital footprint. German DJ Safer also known as Robert Widmann or Robert Widmann – The Life Shapes first made his mark in the mid-2000s. The charismatic and versatile DJ has since established himself as a specialist in the progressive house and electronic music scene, as well as a leading DJ on major dance radio stations, including radio.am and Q-Bert. He is one of the few names who have also “graduated” from the major labels onto independent labels, and who himself has had hits at major German radio stations. “This is no longer fantasy, but reality,” according to Widmann.
