The screen goes dark and continues to display beautiful flowers, clear sky, and some flying butterflies. The screen only comes back to life when the specified amount of time has passed. Then it slowly fades into beautiful flowers, clear sky and floating butterfly images. XSloader is a Windows application designed to copy files between multiple CDs/DVDs. XSloader Description: If you are like me, you often need to copy files to and from multiple CDs/DVDs. With this application you can easily load files from CD/DVD to your hard disk with just a few clicks. The data are encrypted and cannot be read without XSloader, so your CD/DVDs can be used for commercial purposes. WriteMYMark is a great freeware utility designed to solve a quite annoying problem. WriteMYMark Description: In a rush to upload your files to the Internet? Having trouble to remember all the details of the upload process? Do you have a funny name for your files or folders? Need to insert a video or your home videos as a wallpaper? But it seems that it's time for your homepage to be the "cool" place to visit? WriteMyMark has the answer! Using WriteMyMark, you can add some cool and funny details to your files and folders that will make them easy to remember and share. Just create a new folder or move an existing one. Type the funny text that you want to use as a folder or file name, and be done. Then upload your files to your favorite website! MyScreenSaver is an entertaining screensaver for Windows, designed to resemble the menu screens of the Atari 2600 game console. MyScreenSaver Description: MyScreenSaver is an entertaining screensaver for Windows, designed to resemble the menu screens of the Atari 2600 game console. While you're at it, you can use it to make your own screensaver too! Just watch the menus change as you mouse over the screen, or you can select between five of the most-used screensaver settings. Jungle Flight is a screensaver with colorful jungle-themed animations. JungleFlight Description: Jungle Flight is a cool screensaver with colorful jungle-themed animations. While you're at it, you can use it to make your own screensaver too! Just watch the jungle get bigger and bigger as you mouse over the screen, or you can select between five of the most-used screensaver settings.

_____ Dee-jay-unk.net is not a CD-ripper! - Generic (stand-alone) mouse (might work as a CD-ripper, please report your success). Seaman is a refreshing, easy to use, and automatic free screensaver that will help you feel like you are

right there by the ocean. This screen saver may make you feel like you are floating on the water. What better way to appreciate the beauty of the ocean and its life forms. A close-up view of your desk-top. Attention! Please take notice that the monitor always displays only the content of the current screen. Please take into account that the display on the monitor is a copy of what is displayed on the screen and it is only a faithful copy. This screensaver is a port of a screensaver, created by Scott Miller, that he called "Wild Rose" and he gave to me, and I want to give him the right to use it on this site for free. "Wild Rose" screensaver has been created in early 1997 by Scott Miller and is to be available on his page and there's a possibility to download it if you want. The "Wild Rose" screensaver contains a total of 3 games, a wild rose, a calendar, a house, and a moon. There are 12 different themes to choose from and 8 background images. The basic wild rose screensaver should be a 1d6a3396d6

nfsSkyandFlowers is a nicely animated screensaver featuring beautiful flowers, clear sky, white transparent clouds and few flying butterflies. It is a relaxing and calm screensaver. No sound effects. The screensavers are initially designed to prevent damage to CRTs and plasma computer monitors by blanking the screen or filling it with moving images or patterns when the computer is not in use. The screensaver starts automatically if your computer is idle for a specified amount of time. Download nfsSkyandFlowers free now and enjoy it on your PC. nfsSkyandFlowers is a nicely animated screensaver featuring beautiful flowers, clear sky, white transparent clouds and few flying butterflies.
