If you're already installed in another location, you may need to add a new Product Key / Activation Code. Autodesk® AutoCAD® 2015 is a breakthrough software tool that addresses the needs of today's computer-aided design (CAD) and computer-aided engineering (CAE) users. The Autodesk® AutoCAD® 2015 Standard and Premium editions support 2D and 3D CAD and drafting applications, such as design and documentation. It also supports CAE modeling and design as well as data management for scientific, engineering, and manufacturing applications. The Autodesk® AutoCAD® 2015 Standard edition provides 2D/3D basic features and desktop applications that will meet the needs of most users. While the Premium edition extends this set of basic features with advanced professional features such as flowcharting and physics. Subscribers also have access to the world's fastest data recovery tool, Autodesk® Data Recovery. This free product helps you recover deleted or corrupted files from external drives. You can also use this software to restore files or folders from your hard drive. • CAD Files Creation • 2D Design • 2D Drafting • 3D CAD Design • 3D Modeling • 3
