A: As already answered in the question. You need to replace your default icons with the ones provided by the Icons Theme. To make it work you have to go to "Appearance and Personalization > Icon Theme" Your new icons will now be listed in this window. Icons Theme also provides preview of icons. China is running an amazing campaign for the 2020 Olympic Games. The Chinese government bought the rights to sponsor over 1 billion advertising spaces in all major media outlets in China and Russia to make sure no message went unsaid. Chinese youth even received tons of propaganda about the country's support for them and its history. The below image was printed on school uniforms in China as a way to encourage their youth to play sports, to start a new life in a new country, and to help China win its third straight gold medal at the Olympics. "I would like to tell my students to be optimistic. Think about their dreams, and do something to make their dreams come true. Because my dream is to win a gold medal for my country. I want to tell my students to believe in themselves." This is so exciting to see how propaganda works on a world level. If you'd like to learn more about the propaganda program that China is running for 2020, you can read this article here. You can also watch this video of some of the propaganda ads that were being shown on all the media outlets. /3, v, 5 Let $n = -0.21 + -0.09$. Let $d = -9 + 9.2$. Which is the nearest to d ?
