
Baofeng Uv-5r Vip Software Downloadl

I just bought this Baofeng UV-5R A radio and once I received it everything is fine. announcement: L-HROutlet. I am using UV 5R VIP software with new driver. I couldn't help but wonder why I didn't get this radio in the first place, but it took me a while to figure out what exactly it was. In the end, I came to the conclusion that I was completely right. This radio was sold as a toy and not for commercial use. Anyway, my next purchase was for me and my team of 20. When I bought this radio, I was using the free VIP software that I bought from the Baofeng website.
