The effect of glucose metabolism on the proliferation of proliferating endometrial cells in vitro. To study the influence of glucose metabolism on the proliferation of proliferating endometrial cells in vitro. In the first experiment, the effect of glucose on the proliferation of proliferating endometrial cells was studied. Fresh endometrial tissues were isolated from nonpregnant rats. The tissue was divided into two pieces: one was immersed in DMEM (N = 6; 10 mmol/L glucose) and the other in DMEM + 20% FBS (N = 6; 10 mmol/L glucose + 20% FBS). The two portions were incubated at 37 degrees C in a CO(2) incubator for 3 days, and the amounts of DNA, protein, and  $\beta$ -glucuronidase in the cells of each group were measured. In the second experiment, the effects of 2-deoxy-D-glucose (2-DG) and 2-deoxyglucose-6-phosphate (2-DG-6-P) on the proliferation of proliferating endometrial cells were studied. Proliferating endometrial cells were obtained by culturing freshly isolated endometrial cells for 3 days in DMEM supplemented with insulin, transferrin, and selenous acid. Each part of a tissue obtained from nonpregnant rats was divided into four pieces. One piece was placed in DMEM (N = 6), while the other three pieces were immersed in DMEM and 10 mmol/L 2-DG (N = 6), 10 mmol/L 2-DG-6-P (N = 6), or no added reagent (control);

## **What's new:**

- **Make the World Cup winners Even Better with “What if”:** Make a squad with the current world champion, and decide who leads them to glory in head-to-head matches using player classes and attributes. The World Cup winner now has dynamic and exciting gameplay, making all-time World Cup heroes like Messi or Cristiano Ronaldo exciting to watch and challenging to play.
- **Make the Best Defenders Better with Physically based Defender AI:** from Club World Cup to the Premier League, you’ll see defenders physically do just as they need to make themselves tougher to beat - even if they’re outnumbered. Helped by the new “natural” defender AI - defenders now launch challenges like defenders, complete with dodges and feints.
- **Make your Team React to the Moment: Use Player Traits** to make teams react to situations in real-time, and play like a pro on the pitch.
- **Be as Great as your Team: Gather 50 Ultimate Team cards** or points to unlock a player, then use individual player growth to train, practice and attain TOP-GOAL status to make the ultimate *star*. When you’re ready, unleash that player’s unique talents to dominate the pitch.
- **Precise Direction-changing Skips:** On the pitch, make use of long-range goals and powerful bombs to score with pace and control. Vision 360, aiming and heading make the ball move *anywhere* on the field for the fastest, most effective moves in FIFA. For an even more precise feeling of speed and control, take aim with passing and direct control.
- **Create Your Dream Team: Using a new “MyClub” UI** and Customise your World Tour ambitions. Control your club’s budget and release your favourite players while continuing to build your transfer reputation.
- **NEW PASSING SYSTEM:** Feel the energy of the game with a brand-new, intuitive passing system that knows your style of play, pulls requests from your formation and gives you new creative control as you set up chances. For example, pass diagonally with precise accuracy, timing and

FIFA is more than a video game franchise. It's an engine of success, creativity and inspiration that gets millions of fans of all ages and backgrounds involved with football. From the grassroots, through the professional ranks, FIFA touches everything from the way players train and perform in the heat of competition to the evolution of the game, and everything in between. It's the beating heart of football. The FIFA community is one of the most expansive in the world. Engaging with it is a crucial part of the experience for players, coaches, and fans. FIFA Live Events, FIFA Ultimate Team™, Ultimate Team Seasons, FIFA Ultimate Leagues, and the Community Stores enable fans of all ages and skill-levels to connect, share, and compete with other players from around the world. With FIFA™ 21, EA SPORTS brings you the ultimate footballing experience, even more connected to real life than ever before. Every FIFA-related feature inside the game is connected to real world football, whether it's coming to an end or not. At the same time, the 'Powered by Football' and 'The Journey' elements give players more than a straight fantasy experience, encouraging them to enjoy the game and its many facets, and discover more about football. Powered by Football and The Journey combine to make FIFA 21 a unique, open-ended interactive journey. The key to unlocking all the game content is through the sport's many professional, national and club competitions, and through the journey, players can grow from a new, budding football star to a seasoned player, ready to compete in the FA Premier League. As they reach new heights, their career within FIFA continues to grow, as they make a name for themselves in the game's diverse creative tools. The Journey takes players through every step of the football journey, from casual player to fully-fledged professional. With it, the rewards for players continue to grow, as do the tools available to them. If the Footballer you see is online, use the in-game tools to interact with them, view their profile and squad, and get in touch with them! If a Footballer you see has been saved to your FUT™ My Seasons, you can even learn more about him in the My Moments section. Gameplay EA SPORTS FIFA 22 introduces fundamental gameplay innovations that deliver richer, faster and more rewarding gameplay across the game modes. The following key improvements are specifically made to
