What's New in this Version: • Converted MTS, M2TS and MP4 files to Mkv file, which can be played on iOS Devices • Added "Validate Media Files" function, please make sure your files are playable • The icon in the title bar has been redesigned SHELL.FTP is a free and easy-to-use FTP client for Windows. It supports 7 basic functions, including transferring files, uploading files, downloading files, creating and managing folders, checking the transfer speed, renaming and deleting files, etc. 7-Zip is a file archiving tool for Microsoft Windows developed by 7-Zip GmbH. It supports nearly all archive formats common on the PC. It allows individual files or entire directories to be compressed (zipped) and decompressed. Commonly-used archives like ZIP, RAR, ACE, Tar, GZip and BZip2 are supported by Windows edition 6.5 and above. Ampache is an Apache-based WebDAV server for UNIX platforms. It supports Microsoft Active-Directory authentication via NT LAN Manager and local accounts on the UNIX platform, as well as the standard UNIX authentication via PAM. Ampache supports the concept of content negotiation to convert Apache servers to WebDAV protocol servers. It also supports the concept of Virtual Hosts, which will allow the administrators to create virtual WebDAV servers that act exactly like the real ones, thus giving them access to the full features of Ampache. Ampache can act as a WebDAV server or a WebDAV client. And there is a third-party client available. Ampache includes a built-in WebDAV client. A WebDAV client is available from the project site. Zombies could infest your system and taking over your files. You need to get rid of the Zombies to stop your system from infections. Lite version of Necromancer is currently the easiest zombie removal tool available. With Necromancer, you can easily kill Zombies with a few clicks. The best part? You can remove zombies with just a single click. Necromancer requires very few system resources, and does not leave a trace on the system. Watch out for zombies in your PC! If you would like to be attacked by them, you have now a chance. Zombies is a very funny game. Imagine that you are in the year 1753.
