Dabangg_2010_Hindi_Movie_720p_BluRay_x264_MP4.avi Report .In Japan's major steel city of Kawasaki, 60 years after planners wrote off the tiny islet of Yokkaichi as a residential waste bin for overused wharves, the government is bulldozing it down — preparing an artificial reef to lure tourists. More than 100 chunks of embedded steel were hauled from the rubble, and a tiny urban park in the shadow of a naval complex is being laid out in a bid to tackle community resentments over high housing prices that have pushed families and schools to move to the mainland. The effort is seen as a first step in a national strategy to lure more visitors to the region while offering them a chance to visit the dazzling sights that include world-class science museums and the ancient Buddhist city of Nara 648931e174
