Rayman Legends is a turn-based, side-scrolling, action adventure platformer in which you assume the role of an agile hero named Rayman. Your goal is to collect and bounce through each of the many worlds that you have to overcome in your quest to save the Teensies and save the Glade of Dreams! Rayman Origins is a 3D platformer in which Rayman embarks on an incredible journey to find the Teensies stolen by the evil Lord Liquorish. You will travel to all 4 corners of the world and meet allies such as Globox, Murphy, Prince P'Nut and of course, the Teensies themselves. The characters not only add color to your adventures, but they enhance the gameplay, adding new skills, enemies and gameplay experiences. When Rayman reaches 100% he will enter Dreamtopia where he will face off against a den of eight luchadores. If his health drops to zero, he will revert back to the beginning of the level and the mission will end. Rayman Origins, the most popular 2D side-scrolling platformer on any platform, will let you explore four distinct worlds as you search for the Teensies kidnapped by the evil Lord Liquorish. Collectibles bring a little extra spice to the adventure, with bonuses such as new items and costumes for your pals. But the best prizes await: hit the end of every level and you'll move one step closer to a dream come true—a place called Dreamtopia, where you'll finally find your missing friends. 5ec8ef588b
